Dear Batavia Business:

Batavia STAGE is a non-profit 501(c)3 that supports and provides funding for Batavia public school theatre programs. We are hosting our first ever Improv Festival, "Yes and...Fest", on March 6, 2016. Students from all over Illinois will participate in the day's activities. Family and friends will be encouraged to attend and support their students on stage. The day will consist of student exhibitions, professional judging with critique and instruction and training workshops conducted by Improv professionals.

In order to ensure the success of this very important event, we need and request your support by becoming a Corporate Event Sponsor. Your tax deductible sponsorship will help defray the costs, including the professionals needed to train the students in attendance, t-shirts and programs. Batavia STAGE hopes to count on your help.

Corporate Event Sponsorships can be purchased through January 25, 2016. For details go to:
